ANNUAL MEETING AND PICNIC
SATURDAY JUNE 11 at the COMMISSIONERS CABIN, CHESTNUT RIDGE PARK

JUNE 11TH PICNIC Outings schedule of events:

9:30am - PADDLE - Cattaraugus Creek (B) Liesl & James White larborewhite214@rochester.rr.com (585-721-4480) or (716-587-2576) after 4 This paddle begins at the Scoby Hill access off Rt. 219 in Springville at 9:30 am sharp. Cars will be spotted at the North Otto Rd. parking lot (5 mile drive). This will be a paddle for people who are comfortable maneuvering around areas with fallen trees in the water and corners that can have mild rapids with possible under water obstructions (the creek changes every year!). A smaller kayak or flat bottom canoe would be good for this creek. We will keep an eye on the water level and a heavy rain would postpone this trip. It is a great paddle and a nice length! Bring and wear your pfd, dress for the weather and bring your Ten Essentials for Paddle Outings including: snacks, water, sun protection and a change of clothes in a dry sack. It is a short ride to the club picnic in Chestnut Ridge Park after the outing.

1:00pm - BIKE- (B) This will be a moderate bike ride on country roads with some hills. We will start from the Commissioners Cabin then cross to the other side of the park and exit on Newton Road, to Abbott, the old 219 then back to Newton Road (about 17 miles).

1:00pm - Hike - Chestnut Ridge Park - Eternal Flame and Beyond (C)
Kim Newland 799-7616 newlands5@verizon.net
Meet at 1:00 at the Eternal flame parking lot - Chestnut Ridge Road (Rt. 277), about 1 mile south of main entrance to Chestnut Ridge Park. We will hike about 4 miles in the beautiful Shale Creek area of the park, including a descent into the ravine to view the famous Eternal Flame. We will be back to the Commissioners Cabin in time for the educational portion of the annual ADK picnic around 3-3:30pm.

2:00pm - NATURE HIKE - Chestnut Ridge Park (C) Lynn and Doug Kenney. Meet at 2:00PM at the Commissioner’s Cabin in Chestnut Ridge Park the day of the picnic. The hike will start from the cabin. This will be a leisurely nature
hike with frequent stops to look at wildflowers and trees. We will try and identify as many as possible. You are welcome to bring along your field guides to help identify any that we are not familiar with. The hike will last about 1.5 hours. We will be back in time for the wildlife program.

**3:30pm - Wildlife rehabilitation presentation by Messinger Woods: Tender Loving Care for Nature’s Wounded** - Come to the June 2016 ADK picnic to find out what mystery birds from Messinger Woods Wildlife Care and Education Center will be coming too. Margie Hanrahan will be bringing ambassadors like Jimini Crow to talk about the rehabilitation work and rescue efforts of the wildlife care center in Holland, NY. To get a preview of Jimini, search talkingcrow.org. The rehabilitation efforts were really given a boost when Edith Messinger donated 30 acres and space in a barn located on the property. This barn has now grown into rehabilitation center and hospital to care for injured wildlife. The volunteers feel passionate about spreading the word about what type of work it takes to make rehabilitation a success. Education during the presentation includes useful information on what to do and who to call if wildlife is injured by everyday events such as being hit by a car on the road. (I’m sure we have all had this happen to us.) So come out to learn more about this treasure.

**5:00pm - Potluck dinner** - Bring your favorite salad, dessert or appetizer to share. BYOB. Club provides: cheeseburgers, hot dogs, Italian sausage and veggie burgers along with condiment, rolls, soft drinks coffee and a limited amount of paper products. Help reduce waste by bringing your own dish, cup and flatware. You may also want to bring a folding chair. Donations will be gratefully accepted.

**6:30pm – Meeting and Elections** - We are happy to offer you excellent candidates for 2 positions. Both are currently in their respected positions now and are willing to serve another 2 years. Both are unopposed elections. Dana Jandzinski is seeking a 2-year term as Programs Chair, and Lynn Kenney is seeking another term as Conservation Chair.

**Presentation of “Conservationist of the Year” to Lynda Schneekloth** - The "Conservationist of the Year” Award will be presented to Lynda Schneekloth at our Annual Meeting during the Picnic on Saturday, June 11th. Lynda was one of the founders of Friends of the Buffalo River, which later became Buffalo Niagara Riverkeeper. Lynda is a former Chair of the Sierra Club Niagara Group and is currently the Advocacy Chair of the Western NY Environmental Alliance. The award will recognize Lynda Schneekloth’s leadership of the Climate Justice Coalition of WNY. The coalition works to raise awareness about the urgency to address climate change and the injustices it presents to humanity and life on Earth. The coalition seeks bold action to end global warming pollution as well as justice in the necessary transition from fossil fuels to a clean energy economy.

**Summary of last month’s program –**

**WAVES OF WISDOM FROM TWO PADDLING EXPERTS** - Not one but two boats made their way to our May meeting covering water safety. Both a kayak and a canoe were exhibited by the dynamic duo of Bob Van Hise and Andrea Vaillancourt-Alder. The 10 essentials of outdoor safety also apply to the water. A life vest with plenty of pockets can easily store these essentials to keep within easy reach. Don’t forget what to wear under the life vest is also important. The various types of layers ranging from a full body dry suit to neoprene top and bottoms (for those warm water days we all want) were on display. No matter how nice the day is, keep in mind to dress for the water temperature, not air temperature. If the weather takes a turn for the worse, extra layers of warmth couldn’t be stressed enough. Who could forget the orange rounded tent with a view hole that can help you stay warm until warmth arrives? Shopping for this item could be fun!
Conservation Corner Lynn Rehfeld-Kenney, Chair

We are excited to be presenting the Conservationist of the Year award to Lynda Schneekloth. She was the driving force behind organizing the Rise Up For Climate Justice activities in WNY to raise awareness about the need to work together to protect our world from climate change in preparation for the international climate talks in Paris this year. Lynda rallied a wide range of groups including environmental, religious, indigenous, unions and government officials to sign the pledge to work for climate change.

Governor Cuomo finalized the agreement for the state to purchase the Boreas Ponds Tract, 21,000 acres of pristine wilderness in the Adirondacks. You can play an important role in getting this land classified as Wilderness including a small segment classified as Wild Forest to allow for vehicles to travel along an existing road to access a portage for non-motorized water craft. We need a big turn-out in writing and in person. To start this process we need to get land classification hearings throughout NY State. Go to www.adk.org and click on Advocacy>Action Alerts. Write a short letter thanking Governor Cuomo and ask for state wide hearings. There is a form letter you can use but add a few sentences to add a personal touch to make it have more impact. Thanks for your help. This is the last large parcel of wilderness left in the Adirondacks and we can’t afford not to save it as Wilderness!

ADK advocacy helped prevent legislation to open up more state forests to ATV use from being added to the state budget. However it is expected that new legislation will be introduced before the legislative session ends for the summer. We will keep you informed when ADK sends out Action Alerts so you can contact your state representatives in the assembly and the senate to prevent this ATV legislation. I know I can speak about personal experiences with finding hiking trails ruined by ruts from ATVs and I am sure you can too. Let your government representatives know how ATVs ruin your enjoyment of our state lands and how it negatively impacts the environment.

Conservation Committee meetings will resume in September.

Attacks on the environment never stop. Join the Conservation Committee to see how you can help.

Message From the Chair, Janet Kowalski

Boreas Bliss: Bravo to Governor Cuomo on New York’s purchase of the nearly 21,000-acre Boreas Ponds Tract, marking the state’s largest Adirondack land acquisition in more than 100 years. Located south of the High Peaks Wilderness area near Newcomb and North Hudson, this addition can consolidate with several other land parcels for a remarkable 280,000-acre Wilderness area. The next critically important step is for this unspoiled area to be classified as WILDERNESS, to be protected as a motor-free area to insure its current pristine water quality, fishery free of invasive species, and peaceful solitude. To electronically support the Wilderness Classification, please take a minute to sign the pre-written letter to Governor Cuomo from the ADK website advocacy link and action alert option (adk.org). ADK Executive Director Neil Woodworth stated recently “This is the most important opportunity to add wilderness to the Adirondack Forest Preserve in over 40 years”. It is a proud and exciting time to be a member of ADK.

Happy 45th to NFC!: At the June 11 Annual Picnic there will be a Memory Board to highlight the origins of the Niagara Frontier Chapter in the 70s. Learn about the “original 12” charter members, and how early members were profoundly affected by the mountains and wilderness.

Name That Newsletter!: Footnotes, Mountaineer, The Lookout, and Trail Talk are some of the names other ADK chapters use for their newsletters. Look for the Suggestion Easel at the Annual Picnic and add an idea for our own newsletter!

WELCOME TO MIKE WEIMER, NEW ADK-NFC NEWSLETTER CHAIR
Mike Weimer has joined the ADK-NFC Executive Committee as our Newsletter Chair. Mike is from Western NY, and has lived in Washington DC and St. Paul, MN for several years working for the Department of the Interior U.S. Fish

MANY THANKS TO OUTGOING NEWSLETTER CHAIR KATE HACKER
Kate Hacker has skillfully executed the Chapter Newsletter for many years. We are grateful to Kate for her service, and also for the experience and wisdom that she contributed to the Executive Committee. Kate is a 46er, avid paddler, and an inspiring outdoorswoman. She was part of the entourage that accompanied 91-year-old Ruth Kuhfahl on the recent Johns Brook Lodge Reunion expedition that was described in the March-April Adirondac.

YOUNG MEMBERS (YM) JBL TAKEOVER SCHOLARSHIPS
On September 9 – 11, ADK’s young members (20s and 30s) from across the state are taking over Johns Brook Lodge! This beautiful rustic lodge in the heart of the High Peaks Region is a 3.5 mile walk from the famous Garden Trailhead in Keene Valley, and a popular starting point for some of the most ultimate mountain climbs that the Adirondacks offer. Our chapter is offering FOUR HALF-PRICE scholarships ($75) for ADK-NFC Young Members on a first-come-first-served basis. The weekend includes 2 nights lodging at JBL, meals, and guided hike options. Cost: $148 (members)/$165. Check the chapter website for Scholarship Applications: adk-nfc.org

A Message from Paul Kochmanski, Co-Chair of Biking Committee

Spring has sprung and the wheels are rolling! We had our bicycling organizational meeting on Monday March 21st at Gander Mountain, with Richard, Mary, Janet, Ann and I in attendance. Mustafa from Shikluna Bike Shop (http://shicklunabikes.com/) gave us some good tips on bicycle maintenance and demonstrated how to effectively and efficiently change a flat. He disappointedly was not able to get any “Mr. Tuffy” in stock in time for our meeting, but he assured me he has them in stock now to help you avoid getting flats this season. We discussed some of the favorite rides from the past and generated some ideas for this upcoming season, laying out some plans. Please look at the outline (so far) for the season below. We are pleased to announce that we will be offering more weekday rides than ever before, one of them on a brand new rail-to-trail! The rides with a question mark by them are date-specific rides that have been popular in the past that we are currently looking for someone to lead. Remember that ADK biking is all about being together, visiting interesting places, getting exercise, and riding safely, mainly on dedicated bike paths and routes. So, make sure your bike is in good working condition, get your helmet on and join us! If you’d like to see a ride added, like to lead a ride, or just want more information, please contact me at 895-7712 or kochmanski@ecc.edu.

PLAN AHEAD:
7/31-8/5 - SUN- FRI- Canoe camping – Forked Lake State Park, Adirondack’s. Carol Griffis carolpgriffis@gmail.com. 716-652-2547 I’m looking for a few female companions for a week or so of canoe/camping in the Adirondacks. We’ll make base camp at Forked Lake State Park. Since I plan to stay in one location, you wouldn’t have to stay the whole week if your schedule won’t allow it. Along with exploring the local waters, we may have a day visiting the Wild Center. You don’t have to know how to paddle, but for your own safety, I’d like you to be able to swim. We’ll share the cooking and other chores. I have kitchen gear, extra canoes, tents, sleeping bags, etc. This will be a leisurely, stress-free outing. A good time to retreat, rest, read, reflect...

8/30 -9/2- Paddle camping trip- Bell Lake Canoe/Kayak & Hiking Trip, Killarney Provincial Park, Ontario (B) Richard Schraven 564-2106 richardschraven1@gmail.com & Mary Schraven 946-7489 maryschraven1@gmail.com. We will drive six hours from Lewiston to the Bell Lake Access Point to obtain our interior permits Tuesday morning. This trip features little to no portaging so kayaks as well as canoes can be used. We will stay on two of the beautiful campsites in the Bell/Three Mile Lake region. With staying put on the same campsites for three nights, instead of spending a big part of each day setting up and packing, we will have the freedom to go on day-trips on nearby lakes and hiking trails. You will get a sense of Killarney’s incredible landscape with views of near-by lakeshores and mountain ranges to the west. One of the days we could even take our nearly empty boats on an easy paddle with a couple of short portages to Johnnie and Ruth Roy Lakes. The La Cloche Silhouette Hiking Trail is also within reach or we could go back to the Bell Lake Access Point and drive to the Village of Killarney and Herbert’s Fish Market. We are limited to nine on an interior permit, but we have two reservations allowing eighteen on this trip. Both reservations are for use of campsites on Bell Lake/Three Mile Lake. Send your $20.00 deposit to reserve your spot to: Richard Schraven, 91 N. Parrish Drive, Amherst, NY 14228.

Trip Report – Earth Day Niagara River Shoreline Cleanup – 4/23/16
ADK members celebrated 2016 Earth Day weekend on Saturday, April 23 by participating in a cleanup of Unity Island in Buffalo. fishing line, and even a pair of old dress shoes (size 10). The enthusiastic ADK clean-up team included Teresa and Pete Corrigan, Nancy Hanavan, Mike Weimer, Janet and David Kowalski, and Lee Clukey. Submitted by Mike Weimer

Remember: Our chapter has hiking poles available to members to borrow for free. It is a benefit of membership. Contact Cheryl Peluso 997-2349 or cherylp17@verizon.net for more information.

Are You a 46er? We Want You on Our List!

Loretta Yerke, who is a long term member of our chapter and former ADK Newsletter editor, made up a list of all our chapter 46ers in 2008. Wilma Cipolla and Loretta thought we should update the list to include all of the new 46ers since then. If you don't have a number because you didn't register we can still add you to the list. The list is posted on our ADK-NFC.org website. To add your name send it to Cheryl Peluso, cherylp17@verizon.net, or call Kate Hacker at 688-8618.

Welcome New Chapter Members!

Welcome to our new members who joined in April:

Two families joined, including David and Katherine Jarvis, and Sandi and Peter York. Three individuals joined, including Mark Castner, Paul Draper and Amanda Kozerovskis.

If you would like to join the Niagara Frontier Chapter you can sign up at a monthly meeting or online at ADK.org. If you sign up online don't forget to check that you want to join our chapter so the local chapter gets a portion of your dues.
